

Pamela A Nicoara DDS MSD PLLC

PERIODONTOLOGY IMPLANTOLOGY ORAL MEDICINE

Aug 2, 2020

Dear Patients,

Today we will now resume our automated appointment reminder service.

If you get a reminder for an appointment that you do not know about or do not think is correct, or if you need to update an email address or phone number, please email or call us at office@nicoaraperio.com or 425-374-5380.

The reminders were suspended during the last several months because the third party administering the reminders can send erroneous reminders when appointments are changed a number of times. Significant changes in the schedule did occur because of the pandemic.

Thank you for your patience as we resume as normal a work flow as possible.

Remember to wear a mask, use hand sanitizer, keep social distance and don't touch your face! STAY HEALTHY!

Sincerely,

Dr. Nicoara and team
